Dear Principal Secretary,

The Hon'ble Prime Minister of India had launched the FIT INDIA Movement on 29th August, 2019 to inculcate physical activity/sports into the daily life of citizens and the student community in particular. Such a fitness orientation is vital for the faculty and non-teaching staff of Higher Education Institutions also to build a vibrant nation.

2. Secretary, Department of Sports, Government of India vide his D.O. letter dated 19th September, 2019 (copy enclosed) has stated that as the Nation is celebrating 150th Birth Anniversary Mahatma Gandhi, organizing FIT INDIA Plogging Run on 2nd October, 2019 at as many places as possible would be a befitting tribute to the Father of the Nation. The participants would collect plastic garbage while running. The plastic garbage could be collected from homes, streets and open spaces along the path of the run. A note containing the guidelines for the Run and also a list of activities to be done by the organizers is also attached herewith.

3. I therefore request you to issue necessary instructions immediately to all the Universities and Colleges to organize the "FIT INDIA Plogging Run" on 2nd October, 2019 accordingly.

This requires State Government to be a prime catalyst.

2. The Nation is celebrating 150th Birth Anniversary of Mahatma Gandhi. Organizing **FIT INDIA Plogging Run** on 2nd October, 2019 at as many places as possible would be a befitting tribute to the Father of the Nation. Respected Madam,

Namaskaram! Greetings from Mahatma Gandhi National Council of Rural Education (MGNCRE), Ministry of Human Resource Development, Department of Higher Education, Government of India!

In the context of Mahatma Gandhi 150th Birth Anniversary we are promoting **Gandhiji's Nai Talim** Experiential Education with dignity of labour in all Schools in the country by celebrating **National Nai Talim Week**. We would be grateful if your office could advise the **Department of School Education and the Department of Higher Education in your state** to plan and undertake a week-long campaign of work based learning from **26.09.19 to the 2. 10.19 or 2.10.19 to 8.10.19** as per their convenience to propagate **Nai Talim Gandhiji's Experiential Education with dignity of labour**. The activities could include:

1. Students visit to a farm and participation in agricultural operations along with their teachers.
2. Students participation in plantation, water conservation and cleanliness drives in the school or community.
3. Inviting craft and occupational representatives from the neighbourhood or organising practical experience at a demonstrative site and/or personal practice based session on any local trade or occupation.
4. Similar events may be organised during the period for DIET Trainees, B Ed Students and Lecturers.

The campaign could culminate or could be initiated with celebration of **2nd October as National Nai Talim Day** in all Schools and Higher Education Institutions in the country. This will give added impetus to the experiential learning process in the schools and teacher education institutions in the state.

We request to kindly oblige us by advising Universities, Education Department and SCERT to direct the schools and other educational institutions in their jurisdiction to take necessary action in promoting National Nai Talim Week in the context of Gandhiji's 150th Birth anniversary Celebrations on 2nd October 2019. Our Officer on Special Duty for 150th Birth Anniversary of Gandhiji **Mr. Saikiran (M: 9247373088/email: saimgncre@gmail.com)** is available for any academic inputs in this regard.

Thanking you.

Yours sincerely,
