D.O. No.H.11011/02/2018-CDN(Pt)
Date: 06.11.2019

Dear Chief Secretary/Administrator,

Please refer to Cabinet Secretary's D.O. letter No.403/1/2/2015-CA.V dated 25th October, 2019 regarding the launch of a National Campaign for creating awareness about the 'Fundamental Duties' as part of the 70th anniversary of the adoption of the Constitution of India. This national campaign will start from 26th November, 2019 and continue for one year.

2. This programme is to focus on Fundamental Duties and ensure that every citizen follows them systematically. The main strategy is to run it as a mass movement (rather than a government scheme) allowing participation of one and all.

3. It is essential that all academic institutions across all streams (colleges, professional colleges, law schools etc.) across all States and UTs are enlisted in the year-long awareness campaign.

4. The awareness campaign may include the following activities, which are suggested as under:-

(i) Administration of Pledge on 26th November, 2019 alongwith reading of text of Fundamental Duties in all higher educational institutions in the States/UTs.

(ii) All the higher educational institutions may be asked to make arrangements for watching live the programme from the Central Hall of Parliament to commemorate the 70th Anniversary of the Indian Constitution. It must be ensured that the programme is seen by as many students as possible, preferably in a central location.

(iii) Organising essays, debates, quiz and poster competitions focusing on fundamental duties and participate in large numbers in the National level competition that is being organized by UGC shortly.

(iv) Organising talks, workshop and symposia etc. by eminent citizens and legal luminaries.

: 2 :

(v) Arranging screening of films/documentaries highlighting the framing of the Constitution or its various provisions and such other material as may be made available as part of the campaign.

The array of activities indicated above is only suggestive and local improvisations may be made as felt necessary.

5. Since the celebrations are going to be a spread over a year and involve multiple stakeholders, a State-level monitoring committee comprising of representatives from academic institutions and concerned officials may be constituted for proper coordination of the campaign.

With regards,

Yours sincerely,
