Sir,

In inviting a reference to the Govt. letter on the subject cited above, I have the honour to communicate the desire of Hon'ble Governor of Assam about a campaign for the student community to keep the schools and its surrounding clean.

1. **“ Every student will try to keep his class room, school campus and neighbourhood clean”** : The vision is to create awareness among the students as part of the Swachh Bharat Abhijan. The Hon'ble Governor of Assam desires the active co-operation of the school-going students and thereby creating a sense of responsibility among the students community.
2. **“Every student will plant at least one sapling in a year”** : is aimed at creating Environmental Awareness and attitude towards environment protection. The vision is to motivate our future generation to take environment related problems as a challenge.

You are therefore requested to take necessary action in this regard to make the campaign a grand success

Yours Faithfully,
