LETTER NO. 1077/2018 JS(MH)
NATIONAL INSTITUTE OF SOCIAL DEFENCE

(Ministry of Social Justice & Empowerment, Government of India)

West Block-1, Wing-7, Ground Floor, R. K. Puram

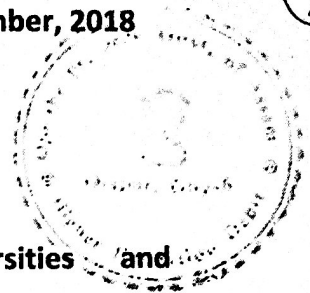

New Delhi-110 066 (Ph. No. 011-26100058 / 09650410580 -mob.)

F.No. NISD/DIR/NAPDDR/2018-19

Dated: 27th November, 2018

To

The Secretary
(Higher Education)
Government of Assam

Sub: Regarding Awareness programmes in Universities and colleges/Institutes on drug abuse prevention –regd.

Madam

As you may be aware the Ministry of Social Justice & Empowerment, Government of India is the Nodal Ministry of Drug Demand Reduction in the country. In this regard, the National Institute of Social Defence (NISD), an Autonomous Institute under the Ministry has been conducting various awareness and capacity building programmes on the issues of drug use/abuse in collaboration with various Institutes & Agencies in different States/UTs.

2. It is noted that adolescents/students are most vulnerable to use/abuse of drug abuse in view of lack of knowledge about drugs, environmental & other social factors etc. Hence, the awareness at the college level is required to sensitize students about the harmful effects of drug abuse, myths & facts associated with it etc and curb this menace. Accordingly, a National Action Plan for Drug Demand Reduction (NAPDDR) has been formulated by the Ministry which inter alia covers the important aspect of awareness generation among students on ill effects of drug use.

3. As the Universities & colleges are important stakeholders for creating awareness among students, it is proposed to conduct various students-centric workshops/one day awareness programmes in Universities and Colleges in various States/UTs for wider dissemination of the message to stay away from drugs. To start with, each university may conduct 10-12 awareness programmes with participation of 150-200 students per programme with the support of students welfare units/NSS coordinators/concerned social work departments in universities & colleges during the current financial year 2018-19.

4. It is further submitted that the financial support upto Rs 50,000 per programme to conduct such programmes will be provided by NISD and the funds can be directly transferred to the University/colleges.

5. It is requested to kindly issue necessary instructions to the authorities of the Universities/Institutes under your jurisdiction for conducting awareness programmes on "drug abuse prevention" in collaboration with NISD under the National Action Plan for Drug Demand reduction (NAPDDR).

Kind Regards

Yours sincerely,

N. Kalita
