No. AHE.5/2019/21

Dated Dispur, the 17th January, 2019

From : Smti N.Laskar ACS
Joint Secretary to the Govt of Assam
Higher Education Department.

To : 1. The Director of Higher Education Assam
Kahilipara Guwahati- 19.
2. The Director of Technical Education Assam
Kahilipara Guwahati- 19.

Sub. : Guidelines to be followed by the Universities and Colleges for avoiding any untoward incidents.

Madam,

In inviting a reference to the subject cited above and as per the order of Principal Secretary I am directed to request you to inform all the Universities and Colleges to follow the guidelines mentioned below.

1. Role of University Authorities : The university authorities have a very big role to play apart from giving classes to students.

a. The university should install CCTV not only inside the campus but also in the vicinity as most of the students reside in the paying guest hostels in the nearby area.

b. In case of non adherence private hostels should be dis-empanelled and action taken against them.

c. The students should be given an orientation programme making them aware of local sensibilities, acceptable public conduct and food habits.

2. Role of private hostel owners :

a. All hostels must have boundary wall on all sides with preferably only one exit/entrance gate.

b. All hostels must install CCTV at the entrance gate and common areas and corridors.

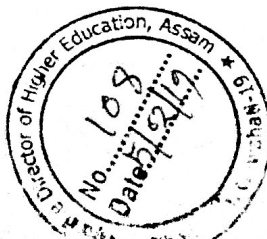

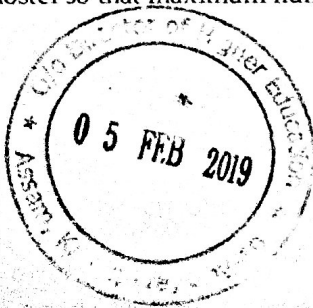

c. Alcohol and drugs should be completely banned inside the private hostels.

d. All hostels must install an electronic entry and exit punching machine sending SMS to their parents' mobile phones for every movement of students.

e. No person/student of opposite sex should be allowed entry beyond reception area into the hostel except the registered workers/staff.

3. Role of Excise Department : Keeping in view the future of the students of the universities, the menace of alcohol and drugs has to be wiped out by regular raids conducted by Excise Department on such shops and hutments. If any such outlets arise, Excise Department may be informed for taking necessary action.

4. Other Suggestions : Since a number of students in the universities come from tribal areas of neighboring states therefore it is the first duty of the universities to increase its seat capacity of its own hostel so that maximum number of such students can be accommodated inside the campus.

Yours faithfully,

Joint Secretary to the Govt. of Assam
Higher Education Department.
