Dear Sir,

I am pleased to inform you that the Ministry of Human Resource Development has launched Annual Refresher Programme in Teaching (ARPIT), a major and unique initiative towards online professional development of 15 lakh higher education faculty using the MOOCs platform SWAYAM on 13th November, 2018. Since it is an online refresher course, it allows faculty to undergo training while on duty and without disrupting the institution's academic schedule.

ARPIT is being implemented by 75 discipline-specific National Resource Centres (NRCs), which are tasked to prepare online training material with focus on latest developments in the discipline, new & emerging trends, pedagogical improvements and methodologies for transacting revised curriculum. The course is a 40 hour module with 20 hours of video content and 20 hours of non-video content. They are offered in a highly flexible format and can be done at one's own pace and time. There are built-in assessment exercises and activities as part of the academic progression in the course. At the end of the course, there will be a terminal assessment which will be online. All faculties who have successfully completed the online refresher course will be certified. The courses are open from 1st November, 2018 to 28th February, 2019. All in-service teachers, irrespective of their subject and seniority are requested to register and complete these refresher courses. The last date for enrollment of ARPIT courses in SWAYAM platform is 15.01.2019. The courses can be accessed at <https://swayam.gov.in/courses/public>.

UGC vide its letter No. F.2-16/2002(PS)Pt.FI.II dated 03.12.2018 had decided to treat refresher course under ARPIT programme as equivalent to one Refresher course for the purpose of Career Advancement Scheme. A copy of the letter is annexed. I would request you to kindly issue directions to all the Universities / Institutions under your administrative control so as to encourage their faculty to enroll in their disciplines and get benefited.

With regards,

Yours sincerely,
