D.O. No. 30/2/2012-GW (Pt.II)

27<sup>th</sup> August, 2018

Dear Ms. Das,

Since some parts of India is becoming water stressed, it is imperative to generate awareness towards water conservation and preservation amongst citizens of the country. Water conservation is a habit which needs to be developed by the citizens of the nation. The Ministry is trying to sensitize the public on the issues of water conservation and management through various modes and mediums like print, electronic and social media. Hon'ble Prime Minister has also stressed on need to conserve water in this monsoon in a letter dated 29<sup>th</sup> April, 2018 to all Chief Ministers/ Administrators of States/ UTs.

In an attempt to further provide an impetus to Hon'ble Prime Minister's directions and Ministry's efforts of water conservation, it has now been decided to institute National Water Awards for various categories including Best State, Best District, Best Municipal Corporation/other Municipal bodies, Best Village Panchayat, Best Schools, Best TV Show, Best Newspaper etc. These awards will recognise the efforts of the participants in the field of water conservation and management. The recognition will not only motivate the participants to continue their work but also induce others to vigorously attempt/replicate the practices of water conservation and management.

You are requested to take personal interest in publicizing these awards so that no effort in the field of water conservation and management is left unrecognised. You are also requested to disseminate this letter down up to Panchayat level and give wider publicity to these awards. Central Ground Water Board (CGWB) has been made the nodal agency for submission of application forms etc. for awards. A detailed guideline including application form is enclosed for reference. General public may be asked to refer to websites ([www.mowr.gov.in](http://www.mowr.gov.in)) or ([www.cgwb.gov.in](http://www.cgwb.gov.in)) for further information.

With Regards

Yours sincerely,

(U.P. Singh)
