Subject: Conducting 8th International Humanity Olympiad, 2022 - Exam of excellence in Humanity, Morality & Ethics.

Humanity Development Club, powered by Satyug Darshan Trust (Regd.) is progressive towards the upliftment of every individual to remain firm on the most unique feature of mankind i.e. Humanity. To accomplish this mission, the club has devised a unique International Humanity Olympiad, to evaluate the Humanity Quotient (HQ) of candidates taking this examination and hence make them conscious of their humanistic values.

It gives us immense elation to share that in the last seven years we have organized this Olympiad (Offline & Online) in more than 2500 schools in collaboration with various State Education Departments and reached around 51 lakh attempts. Further, to encourage and motivate the students, the top 500 merit holders are rewarded attractive prizes - electronic gadgets such as Laptops, LEDs, smartphones etc. during the prize distribution ceremony at Satyug Darshan Vasundhara, Faridabad on 'WORLD EQUANIMITY DAY' - 7th September 2021.

Humanity Olympiad has enchanted the students to understand the importance of true human values and apply them in their daily lives. After such an overwhelming response, the Trust has decided to continue this noble initiative this year as well.

We solicit your good self to kindly contribute and associate in this noble endeavour and direct all the schools under the Department of School Education, _____ to conduct this e-Olympiad. Your contribution in this selfless work can help society as children are the future leaders of tomorrow, and hence it is our prior responsibility to educate them with true human values and qualities, which is essential for their overall development.
