Respected Sir,

It gives me immense pleasure to inform you that Indira Gandhi National Open University (IGNOU) has developed a very innovative and life-skill certificate programme called Certificate Programme in Value Education (CPVE) and the same is on offer since January, 2012. Minimum qualification to pursue this programme is 10+2. One can complete this programme in minimum six months and maximum 2 years. The total course fee is Rs.1800/- only.

This programme is extremely useful for all in general and for teachers, anganwadi workers in particular. I would like to inform you that we have sizeable number of students enrolled for this programme from all over the country which includes 10+2 pass-outs, teachers and other state government employees. The response shows that there is a widespread attraction for "Value Education" among the teaching community.

Sir, if a letter from your side goes to schools / colleges of your State regarding usefulness of this programme many more learners will be keen to take admission in this programme. Moreover, this programme is essential for teachers, educators, anganwadi workers as well as 10+2 pass-outs planning to pursue teaching as career and value ethics in their day to day life.

I sincerely request you for propagation of this programme in the State of Assam.

Thanking you,

Yours faithfully,
