**Sub: Tree Plantation drive during Earth Day and Environment Day**

Respected Sir,

This is to draw your kind attention that Tree Plantation drive by college students is one of the important activities regarding environmental protection. Earlier the colleges imitated plantation drive on Environment Day, 5<sup>th</sup> June only. For more efficient outcome, tree plantation drive may be started on **Earth Day observed on 22<sup>nd</sup> April** and end on **Environment Day 5<sup>th</sup> June** every year. In between starting day and end day there may be several frequent plantation drives can be organized on the basis of action plan prepared by the authorities of Colleges. These frequent plantation drive may cover maximum area and numbers of tree sapling to be planted also help to manage the planted trees for proper nourishment.

So, I request you to take initiative for the above said tree plantation drive for a successful clean and green environment.

Thanking you

Yours Sincerely

*Dipankar Debnath*
