No. MIN/EDN/WPT&BC/11/2022/23
Dated Dispur, the 11th April, 2022

To,
The Principals,
Provincialized Colleges/ DUAM/GMC

It gives me immense pleasure to communicate with you that Ministry of Education (MoE) (formerly MHRD), Government of India has launched a flagship mission, Unnat Bharat Abhiyan (UBA), with a vision for transformational change in rural development processes by leveraging knowledge institutions to build the architecture of an inclusive India. The UBA aims to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices in responding to the development needs of rural India.

For the accomplishment of the UBA mission, the educational institutions is primarily to develop linkage with selective rural clusters, preferably of 5 (five) villages to get involved in the planning process and to promote the requisite Science and Technology interventions to improvise and expedite the developmental efforts of those cluster. Financial supports of Rs 10,000/- per village will be provided under UBA program for assistance for awareness, Gram Panchayat development Plan (GPDP) study, need assessment and contingency expenditure. Further, there are provision of Rs 1.0 lakh for technological intervention/solution and Rs 0.5 lakh for the customization of technological solution under the program.

Your institutes are therefore, encouraged to participate in the UBA mission as a participating institute to accomplish the expectations of the mission and promote development of rural areas in tune with Gandhian vision of self-sufficient. For more information in this regard, you may please visit the UBA website or contact National Coordinating Institute, Indian Institute of Technology Delhi.

(Dr. Ranoj Pegu)

Minister, Education
